VICE-CHAIR: Cori Report Date: 01.02.2010

MEETING DAY: over the break Mtg Scheduled: ongoing

LOCATION: online

COMMITTEE REPORT: _____

We would like to get copies of meeting minutes and Treasurer Reports We have not seen these since September. People may not be aware of this if leadership positions have changed so I will announce this for a second time at the January meeting. The first announcement/request was at the December meeting. (Update: 1/4/2010: we did get an area report for December and a Treasurer's report today)

We would like to post the meeting time and place for each of the subcommittees on the website if that is considered appropriate.

A nicer site design was proposed over Holiday break to the web subcommittee by the subcommittee....Wait till you see it everyone...don't forget to visit our site often!

Information on the Narcathons were updated as we received information. Information on Sweet Surrender was updated.
